CLARA BELLE 23RD

"The Starry Archer Kind"

This grand imported sire was purchased as a two year old in 1945. He is a bull with great masculinity of character, short legs with heavy flat bone, grand depth and width of body and short coupling. His sire, Millhills Uppermost, and his dam, Stella 22d (also bred at Millhills) were both grand champions of the Scottish Highland Show. They are respectively a grandson and a granddaughter of the World famous Collynie Mandate, the top calf of his year at one of the great Collynie sales, afterwards, sire of the \$15,000 Perth supreme champion, Millhills Ranson (Imp.) and after siring that great bull and the popular Millhills Rufus (Imp.) he was exported to the Argentine where he sired a grand champion bull and a grand champion female at the great Palermo show.

Certainly no better pedigree can be written and it is no wonder then that his sons and daughters have been respectively champions and top sellers at the shows and sales wherever entered. From his first calf crop in 1947, his first son Braemor Starry Archer, topped the 32d annual Omaha sale at \$1000. His first daughter, Golden Chain 58th, was the grand champion female of the Strong 1947 Interstate show in Sioux City, Iowa. Another son was the grand champion bull of the 1947 Nebraska State Shorthorn Breeders Sale. Another of his daughters, Clarabelle 23d, was the 1947 Nebraska State Fair Grand Champion female and the 1947 Chicago International Sale champion and top selling female for Holz Bros., Rippey, Iowa.

The record of his get during the past year includes the 1948 Nebraska State Fair Champion bull Braemor Starry Archer, 13th; the 1949 Grand champion bull, Braemor Starry Archer 15th at Omaha; the 1949 Nebraska State Sale grand champion bull, Braemor Starry Archer 29th; the 1949 Nebraska-Kansas District Sale grand champion bull, Braemor Starry Archer 22d; the 1949 Interstate grand champion female, Golden Chain 64th; the 1949 Sioux Empire Show and Sale reserve champion female, Golden Chain 41st; the 1949 Nebraska State Fair reserve champion bull Braemor Starry Archer 38th; the 1949 Nebraska State Fair grand champion and reserve grand champion females, Golden Chain 67th and Clarabelle 31st.

In this sale we are selling 14 sons and 20 daughters. There will also be several females mated to him.

KELBURN MAIDEN

As an outcross on the daughters of Imported Millhills Starry Archer we went to the Richardson Stock Farms, Winnipeg, Canada to secure the blood of the noted 1945 Perth reserve supreme champion and top selling bull, Mount Banker. In their sale last fall we bought the \$3000 Kelburn Banker, a great show bull and as a summer yearling had stood second in class at all of the 1947 shows to his half brother the 1947 International grand champion bull, Kelburn Banker Royal. Due to the fact that we had so many young heifers to breed at this time Kelburn Farms also agreed to loan us for a limited time the outstanding red bull Kelburn Captain, he too is a son of the Perth reserve champion Mount Banker and is out of a full sister to the Perth Supreme Champion in 1948, Crieffvechter Empire. Kelburn Banker is also a full brother to Kelburn Maiden, the outstanding young heifer shown above. Four females sell mated to him.

BRAEMOR STARRY ARCHER 38TH - Many think that this is by far the most outstanding son of Millhills Starry Archer produced to date. He was 1st pr. Sr. calf at the 1949 Iowa and Nebr. State Fairs. He was also reserve Gr. Ch. bull at Nebraska, and headed our winning get of sire group. He is grand headed, is short legged and possesses a wealth of ruggedness and heavy bone. He is one of the thickest bulls we have ever bred and carries his width uniformly from end to end. We feel that he is a sale attraction and can make a real show bull next yr. as a yrlg. and develop into a prepotent sire.

Announcement

Every breeder from the largest to the smallest recognizes the contribution Retzlaff Shorthorns have made to the breed in the past seventy seven years. Through four generations of men they have used the best sires obtainable, and have set a type and quality in their cattle that has had far reaching effect in the shaping of strong herds all over America.

In Millhills Starry Archer there is little doubt but what the Retzlaff's have one of the greatest present day sires of the breed. The record of his get, both bulls and heifers from each and every calf crop has been so consistently good that they must merit the attention of anyone seeking better shorthorn cattle.

I have had the pleasure of carefully going over and inspecting every lot that goes in this sale and I do not hesitate to go on record as saying that it is one of the most valuable groups of Shorthorn cattle ever to be offered in the middlewest. Buyers from a distance have my word that the quality is such to warrant every effort possible to be in attendance or to be represented at the sale ring at the Retzlaff Farm on October 26th.

Most certainly a hardy welcome and a pleasant day awaits everyone coming to Breamor Farms on that date.

MERVIN F. AEGERTER
SALE MANAGER

See our show string at the 1949 American Royal Livestock Sale at Kansas City, October 15th to October 21st. Bearing in mind the American Royal, our sale was scheduled on Wednesday, October 26th, so that Shorthorn Breeders from a distance might attend. We are just 200 miles north of Kansas City with good highway connections, overnight rail service or by mid-continent airlines it is only an hour and 10 minutes.
